

SAILING FOR FUN ON THE CHESAPEAKE BAY!

The Fleet 30 Story

In the 70's, a bunch of new Catalina 30 owners met and casually came up with the idea to create a club for sailboat owners. They wanted to develop friendships while sailing the Chesapeake Bay together. The mission and motto became: "Cruising for Fun!" They called the club Hampton Roads Fleet 30.

Today, almost 50 years later, we are still a vibrant active sailing club. We expect to keep cruising and exploring the ever changing Chesapeake Bay's rivers, creeks, and "gunk holes" for a long time.

Friendship being important, the club has grown into what it is today...a cruising club for owners of any sailboat and maybe an occasional power boat (but only if you are very, very special. *Just kidding.*)

We are always looking for friendly sailing enthusiasts who want to relax and enjoy time on the water.
